

**Coaches, Directors and Parents of the Planet Round Ball Family,**

Thank you for taking the time to read about our wonderful hotel and considering us for your upcoming trips to San Diego. The Woodfin Hotel makes it a point to go above and beyond for everyone of our guests (especially our sports teams) so that they have the ultimate guest experience with us. We know how tough it can be traveling all the time, so we have worked to give our hotel that true "home away from home" feel.

I would like to take this time and tell you a little about myself. My name is Sean Clayman and I am the Sports Travel Sales Manager for the Woodfin Hotel in San Diego. I grew up with the mantra that sports = life! I played on many different traveling teams growing up and visited a lot of different cities. I have experienced what you are doing first hand and know what you as a parent go through when traveling. We here at the Woodfin Suites will make your stay comfortable, relaxing, and enjoyable. You can leave your stress at home knowing that you will have a worry free weekend in San Diego.

If you have any questions or would like additional information please do not hesitate to contact me directly. I look forward to the opportunity of working with you on your accommodations when visiting San Diego.

Thank you very much and have a great day!!
